- 
- 1- For safety and proper utilization of this product, it is mandatory to closely comply with the directions in this instruction/maintenance guide.
 - 2- When various power loads exist, a separate switchboard including all protective equipment should be considered for the lighting system.
 - 3- During any construction process such as welding, etc., make sure that the luminaires are switched off or a stabilizer is used to prevent power disturbances leading to serious damage to the drivers or other electrical components.
 - 4- Serious damage in electrical components will be caused by applying inappropriate voltage.
 - 5- Do not stare at LED light source.
 - 6- Do not directly touch or impact LED module.
